Novurania has been bringing good ideas to the water for over 40 years. As the leading manufacturer of luxury yacht tenders, innovation is apparent in every model of our comprehensive line of boats. Our in-house engineers, equipped with the most advanced hardware and software, continue to introduce new models based on the needs of our direct clientele. Leading industry through innovation has always been paramount at NOVURANIA.

We are passionate about the boats we produce and know this is a passion shared by our enthusiastic owners. All of our NOVURANIA yacht tenders will continue to be hand-built and bespoke, using high technology processes in a modern environment. As a vertically integrated company, we design, manufacture, and assemble each boat insuring only the highest quality materials and building processes. We travel worldwide searching for new equipment to stay at the leading edge of engineering and design.

It is this spirit that makes NOVURANIA the most innovative boat manufacturing company in the industry today. We do not just make a boat. We live in them, try them, test them, improve them, and we do this continuously – day after day. It is not just about building boats – it is about what we love to do – and because of this, it is what will always make NOVURANIA *The Superior Choice*.

Look carefully and choose wisely,
Robert Collada
President, CEO
Novurania of America, Inc.

CHASE 19

CONSTRUCTION

- Hull and deck stringer system
- Deep V performance hull
- Hand laid fiberglass hull, deck and liner
- Vacuumed bagged hull deck laminate, bonded and mechanically fastened hull and deck
- Foam core with solid fiberglass keel
- Foam encapsulated stringer system
- Self bailing deck

STANDARD FEATURES

- Custom gel coat colors on hull and deck, custom NOVURANIA Hypalon tube colors, custom NOVURANIA Hypalon tube trim color, and a wide array of upholstery fabric choices to match the yacht*
- Rotating console with ample room for all electronics – lowers to gunnell height for max clearance in garage
- Leather wrapped steering wheel
- Carbon fibre panels
- Recessed bow dodger in color of choice* with teak overlay
- Side entry door with removable stainless steel boarding handrail
- Yacht quality stainless steel 316 hardware throughout: cleats, recessed railings, fender holders, cup holders
- Flip up bow light, pull up stern light, engine compartment LED light and courtesy blue LED blue deck lights throughout deck
- Bow anchor locker compartment with anchor chock hardware
- Stereo system FUSION with internal IPOD docking station and three FUSION speakers
- Digital engine controls with NMEA network

- Wrap around bow seating, aft seating & sunpad with removable backrest
- Fresh water system with washdown
- Large stainless bow tow eye with port & starboard tow eyes for three point tow system
- Full teak package
- Teak accents on the swim platform, anchor locker hatch, bow dodger compartment and side entry door.
- Retractable stainless steel swim ladder.
- Horn
- Leaning bolster for driver.

FENDERING SYSTEM

- Fendering system in Novurania PROTEX foam collar wrapped in Hypalon/Neoprene coated polyester fabric.

ELECTRICAL

- Dual AGM batteries with parallel switch
- Circuit panel fused and circuit breakers
- Complete under deck enclosed wiring harness
- Engine compartment high-water alarm.
- Battery charger with flush mounted deck receptacle.
- Engine compartment LED lighting.

TANKS

- Under-deck aluminum fuel and water tanks with on deck fill and vents

ENGINE PACKAGES AVAILABLE

- Diesel Stern Drive

OPTIONS AVAILABLE

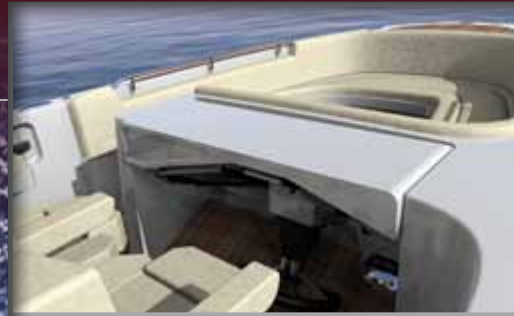

- Owner's upgraded plush helm seats
- Custom Lifting Points
- Custom lifting bridle or strongback
