TECHNICAL DATA

Length Overall	101' (30.78 m)
Length Waterline	85' 09" (26.11 m)
Maximum Beam	21' 04" (06.50 m)
Draft	3' 06" (01.07 m)
Depth	10' 08" (03.25 m)
Fuel Capacity	4,000 US gal (15,141 l)
Water Capacity	800 US gal (3,028 l)
Black Tank Capacity	100 US gal (378 l)
Gray Tank Capacity	100 US gal (378 l)
Displacement	91 t Approx.
Construction	FRP
Accommodation	5 Staterooms (10 Berths) 3 Crew Cabins (6 Berths) 1 Captain's Cabin
Bathrooms	5 En suite, 2 Crew
Generators	2 x 47kW, 50Hz
Power Options	2 x Cat. C32 Acert "E" 1,825 HP 2 x Mtu. 16v M90 2,000 HP

Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding; details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel. Standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case of any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact our sales representative to reconfirm standard and optional features on the vessels.

OVERALL SPECIFICATIONS

Power assisted electro hydraulic steering system, Hydraulic Bow thruster 50HP, 24VDC and 380/220VAC electrical system, 3-Phase shore power dockside connection (100Amp) with 25M length cable and cable master system, 2 x Generators 380V, 51.5 KW, 50Hz, Anchor 81kg with chain 14 mm diameter, 110 meters length Hydraulic windlass with dual station controls, Dual station electro hydraulic Trim tabs controls with gauges, Dual station Autopilot, Dual station VHF Radio, Dual stations forward and aft search lights controls, Stainless steel framed Saloon door, Full height refrigerator in galley, Flybridge electric Barbeque, Flybridge wet bar including sink, Flybridge Refrigerator and Ice maker, Entertainment system, Flybridge upholstered sofa seats, table and sun bed, Electric quiet flush toilets, Stainless steel Transom doors with signage 101, Fresh water deck wash connections at swim platform and forward area, AISI 316L Stainless steel stanchions and guard railings, Full length transom platform with tender storage facilities, 4 x Stainless steel cleats at two on aft cockpit and two on forward area, 6 x Hawser pipes at two on aft cockpit, two on mid ship and two on bow area , 2 x Propellers 5-bladed, AB2 material, 2 x Stainless steel shafts, Pressurized hot and cold water system, Hot and cold water transom shower, 1 x Water maker capacity 140lt/h, 220-240V, 50Hz, Chilled water air cooling system with capacity 260,000 BTU, Electric water heater 120 liters capacity, Teak laid deck on cockpit, transom platform gunnel area and fly bridge stair way, Fire detection system in all cabins, Fixed fire extinguishing system in engine room, Stainless steel framed port holes with clear safety glass, Stabilizing system (optional).

MAIN SALOON

Stainless steel framed sliding door to cockpit, Port and starboard side sofas, 2 x Coffee tables, Sofa side tables Desk and chair, Mirror, Cabinets and open shelves, Refrigerator, Windows with curtains, Curtains to main entrance door, Air conditioning with control switch, Architectural lighting, LED decorative lighting, Lighting switches and AC sockets, Veneer/Leather/Fabric wall treatment, Fitted carpet and wooden flooring Entertainment system.

DINING AREA

Dining table, 8 x dining chairs, Cabinets and storage lockers, Side windows with curtains, Wooden flooring Picture frame, Architectural lighting, Lighting switches and AC sockets, Air conditioning with control switch Veneer/Leather/Fabric wall treatment.

MAIN DECK CORRIDOR

Lockable water tight side pantograph door to side deck, Air conditioning with control switch, Niche with LED decorative lighting, Veneer/Leather/Fabric wall treatment, Wooden flooring, Stair case to wheel house, Entrance door to galley, Access to technical area under the stair case, 220VAC upper deck distribution panel.

GALLEY

Marble counter top, S.S.Sink with hot and cold water supply, Cabinets with doors and drawers, Bottle and glass storage, Overhead storage lockers, Storage lockers with shelves, Refrigerator, Ice maker, Microwave oven 2 x Hobs, Coffee maker, Deep fryer, Grill, Bottle cooler, Steamer, Hood, Dish washer, Windows with pleated blinds, Architectural lighting, Lighting switches and AC sockets, Air conditioning with control switch, Vinyl flooring.

MAIN LOBBY

Lockable water tight side pantograph door to side deck, Stairs to lower deck cabins, Stainless steel stanchion Luggage storage, Niche with LED decorative lighting, S.S.Hand rail with leather cover, Architectural lighting LED lighting to steps, Entrance door to day head toilet, Entrance door to VIP room, Veneer/Leather/Fabric wall treatment, Wooden flooring.

DAY HEAD TOILET

Marble counter top, Wash basin and tap with hot and cold water supply, Electric toilet, Extractor fan, Mirror Storage locker, Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail), Marble flooring, Architectural lighting, Lighting switches and AC sockets.

VIP STATEROOM

Large double bed with mattress, pillows and bedspreads, Bed side tables with drawers, Wardrobes, Cabinet with drawers and lockers, Open shelves with stainless steel railings, Desk with drawers, Sofa seats, Sofa seat side table, Drawers to bed, Side windows with curtains, Storage space under the bed, Air conditioning with control switch, Reading lights, Architectural lighting, LED decorative lighting, Lighting switches and AC sockets Veneer/Fabric/Leather wall treatment, Fitted carpet, Stairs to bathroom.

VIP EN SUITE

Marble counter top, Wash basin and tap with hot and cold water supply, Mirror, Storage lockers, Electric toilet Hot and cold water shower mixer, Sky shower, Hand shower and body jets, Extractor fan, Frosted glass door to shower room, Frosted glass door to ensuite, Architectural lighting, LED decorative lighting in shower room Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail) Shelves, Marble flooring, Lighting switches and AC sockets.

WHEELHOUSE

Helm seat with fore and aft adjustment, Sofa seat, Pullman bed, Flag storage, Stairs down to pantry area, Stairs up to sundeck, Air conditioning with control switch, Port and starboard side windows, Wooden flooring, S.S Railings, Stairs to main deck saloon, Architectural lighting, Lighting switches and sockets, Veneer/Fabric/Leather wall treatment.

PASSAGE

Stairs from main deck saloon, Architectural lighting, Lighting switches and AC sockets, Veneer/Fabric/Leather wall treatment, Fitted carpet, LED lighting to steps, Fire hydrant valve with hose reel and nozzle, Entrance door to owner's room, Entrance door to twin guest cabin, Entrance door to double guest stateroom 01, Entrance door to double guest stateroom 02.

OWNER'S STATEROOM

Full beam cabin with port holes, Large double bed with mattress, pillows and bedspread, Bed side tables with drawers, Sofa seat and table, Desk and stool, 4 x Drawers to bed, Storm shutter storage, Port and starboard side wardrobe, Desk with drawers and stool, Cabinet and storage locker, Open shelves with stainless steel Veneer/Fabric/Leather wall treatment, Fitted carpet, Twin doors to en suite.

OWNER'S EN SUITE

2 x Vanity lockers, 2 x Wash basins and taps with hot and cold water supply, Storage lockers and drawers Mirrors, Full height mirrors to doors, Port hole with pleated blinds, Open shelves, Extractor fan, Electric toilet Bidet, Marble wall treatment in shower room, Frosted glass doors to shower room, Hot and cold water shower mixer, Sky shower and body jets, Architectural lighting, LED decorative lighting in shower room, Jacuzzi Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail) Lighting switches and AC sockets, Marble flooring.

PORT SIDE TWIN GUEST STATEROOM

2 x Single beds with mattress, pillows and bedspreads, Bed side table with drawers, Wardrobe, Storm shutter storage, Drawers to bed, Port hole with pleated and roman blinds, Air conditioning with control switch, Reading lights, Architectural lighting, LED decorative lighting, Lighting switches and AC sockets, Veneer/Fabric/Leather wall treatment, Fitted carpet, Entrance door to en suite.

TWIN GUEST EN SUITE

Marble counter top, Wash basin and tap with hot and cold water supply, Mirror, Open shelves, Electric toilet Hot and cold water shower mixer, Sky shower, Extractor fan, Glass door to shower room, Porthole with pleated blinds, Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook, and towel rail), Full height mirror to door, Marble flooring, LED decorative lighting in shower room, Architectural lighting, Lighting switches and AC sockets.

DOUBLE GUEST STATEROOM 01

Large double bed with mattress, pillows and bedspreads, Bed side tables, Port and Star board side wardrobe Desk and stool, Porthole with roman and pleated blinds, Storage under the bed, Drawers to bed, Air conditioning with control switch, Reading lights, LED decorative lighting, Architectural lighting, Lighting switches and AC sockets, Veneer/Fabric/Leather wall treatment, Sofa seat, Fitted carpet, Entrance door to en suite.

DOUBLE GUEST EN SUITE 01

Vanity locker, Wash basin and tap with hot and cold water supply, Mirror, Electric toilet, Hot and cold water shower mixer, Sky shower, Extractor fan, Glass door to shower room, Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook, and towel rail), Full height mirror to door, LED decorative lighting in shower room, Architectural lighting, Lighting switches and AC sockets, Marble flooring.

DOUBLE GUEST STATEROOM 02

Large double bed with mattress, pillows and bedspreads, Bed side table with drawers, Wardrobe, Port hole with roman and pleated blind, Drawers to bed, Air conditioning with control switch, Reading lights, LED decorative lighting, Architectural lighting, Lighting switches and AC sockets, Veneer/Fabric/Leather wall treatment, Fitted carpet, Entrance door to en suite, Entertainment system.

DOUBLE GUEST EN SUITE 02

Vanity locker, Wash basin and tap with hot and cold water supply, Electric toilet, Hot and cold water shower mixer, Sky shower, Extractor fan, Frosted glass door to shower room, Porthole with pleated blinds, Complete set of sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook and towel rail), Full height mirror to door, Marble flooring, LED decorative lighting in shower room, Architectural lighting, Lighting switches and AC sockets.

CREW GALLEY

Vanity locker with corian counter top, Stainless steel sink and tap with hot and cold water supply, Refrigerator Hob, Microwave oven, Hood, Washing machine, Dryer, Overhead storage lockers, Stair case to cockpit Fish rod storage, Lockable water tight door leading to swim platform, Lockable water/gas tight door to engine room, Air conditioning with control switch, Steps to swim platform, Architectural lighting, Lighting switches and AC sockets, Veneer wall treatment, Entrance door to captain's cabin 01, Entrance door to crew cabin 02 Vinyl flooring.

CREW CABINS (3 NOS)

2 x Bulk beds, Wardrobe, Porthole with pleated blinds, Air conditioning with control switch, Architectural lighting, Reading lights, Lighting switches and AC sockets, Veneer/Fabric/Leather wall panels, Vinyl flooring, Entrance door to ensuite, Telephone point.

CREW EN SUITES (2 NOS)

Vanity locker with corian counter top, S.S Sink and tap with hot and cold water supply, Overhead storage locker Electric toilet, Extractor fan, Mirror, Hot and cold water shower mixer and hand shower, Architectural lighting Lighting switches and AC sockets, Complete set of sanitary accessories (Tooth brush holder, Soap holder, Paper holder, Brush holder, Towel rail and Towel hook), Full height mirror to doors.

SAFETY EQUIPMENTS

13 x Life jackets, 2 x Life rings, 2 x Life rafts (each capacity 8 persons).

MISCELLANIOUS

Fenders-06no, First Aid kit-01no, Fire blanket-01no, Tool kit-01no, Mooring ropes, Boat hooks-02no, Life rings-02no Owner's manuals, Yacht documents.

DECK FITTINGS

Teak laid deck, cockpit, transom platform and fly bridge stairway, Electro hydraulic anchor winch with fore deck main helm and fly bridge controls, Stainless steel bow roller for automatic anchor launch and retrieve, Anchor 81kg with chain 14 mm diameters, 110mt length, Deck hatch access to chain locker, Foredeck hatch to VIP bath room, Full set of navigation lights, Search light with dual station controls, Double trumpet electric air horns, Black tank over board discharge on side deck, Fuel and fresh water fillers on side deck, Stainless steel guard rails, Port and Starboard side windows, Front wind screen, Wind screen wipers with fresh water wash system, 2 x Mooring cleats on forward, 2 x Pop-up cleats on aft cockpit, 6 x Hawser pipes, two on forward, two on aft cockpit and two on amidships, Search light, Lighting around side deck Fresh water deck wash outlets at forward and aft cockpit, Forward exterior sofa seat and table, Side pantograph doors one on port side and one on starboard side, Name board (Majesty 101) with LED lighting.

AFT COCKPIT

Stainless steel framed sliding door to main saloon, Teak table with stainless steel bases, Upholstered sofa seats, Storage within aft seat moulding, Stainless steel stanchions, Integral stairway to fly bridge, Lockable water tight door to crew cabin, S.S Transom doors with signage 101, Steps down to bathing platform, Hot and cold water transom shower, Deck wash, 380/220V, 3-Phase, 50Hz Shore power inlet cable and cable storage Locker with port and starboard side fire dampers pull-out pins, engine room fire extinguisher pull-out pin and fuel shutoff valve pull-out pin cable, Locker with engine room exhaust fan emergency stop button, fire pumps ON/OFF switch, lighting switches and batteries interconnection switches, Locker with fire hydrant valve, fire hose reel and nozzle, AC socket, LED ceiling lights, LED lighting to fly bridge staircase, Hydraulic swim ladder Self draining.

FLY-BRIDGE

Stainless steel framed sliding door to wheel house, Stairway from aft cockpit, Wind deflector screen, Fully fitted wet bar with corian top, S.S.Sink and tap with hot and cold water supply, Electric Barbeque, Refrigerator, Ice maker, 2 x Bar stools, Upholstered sofa seating on port and starboard side, 3 x Tables with stainless steel bases, Storage under sofa seats, Upholstered helm seat, FRP hard top, Lighting on underside of hard top Stainless steel stanchions to hard top, Stainless steel railings, S.S Life rings stand, Water proof lighting switches and sockets, Self draining, Sun pad, 2 x Life rafts (each capacity 8 persons), Jacuzzi, LED lighting.

FLY-BRIDGE HELM

Flybridge helm instruments and controls:

Steering wheel, Port and Starboard engines displays, Trim tab gauge Rudder angle gauge, Winch control panel, Forward and aft Search light switch, Trim tab switches, Bow thruster control, 2 x Navigation displays Port and Stbd engines diagnostic, shutdown and ignition keys, Engine Throttle, Auto pilot display, Auto pilot control head, VHF hand set, Magnetic Compass, Switches of Flood light, Fly bridge ceiling lights, Gauge lights Deck lights, Horn.

WHEELHOUSE

Main helm position instruments and controls:

Steering wheel, Engine room exhaust fan control switch, Bilge alarm switch panel, 2 x Navigation display units Port and Starboard engine alarm display, Trim tab gauge, Magnetic Compass, Rudder angle gauge, HMI Alarm system, Wind shield wiper controls, Bow thruster control switch, Stern thruster control switch (optional), Auto pilot display, Auto pilot control head, Engine throttle, Port and Starboard engine warning, ignition, diagnostic shutdown controls, Trim tab switch, Anchor winch chain counter display, Bilge pump switches, Navigation switches of horn, anchor light, navigation light, pilot house light, dash board, light, under water lights, name board light and gauge light, Search light switches, Forward and aft Search light selector switches and control switches, Wheel house A/C unit control switch, Hydraulic steering switch panel, VHF Radio, 220VAC sockets.

ENGINE ROOM

2 x Main engines (Caterpillar C32, 1825 HP, 2300 RPM), Gear boxes (ZF 2070A, ratio 2.467:1), 2 x Generators 51.5 KW (Caterpillar), Underwater exhaust system with bypass to transom, 1 x Water maker 140lt/h Air conditioning chillers on port and starboard side, Port and starboard side chillers control panels Fixed fire extinguisher system, Exhaust fan and ASD adjustable speed drive, Fire dampers, Intakes for air circulation, Extractor fan, Electric and manual oil exchange system for engines /gear boxes/generators Flexible mountings for engines, All ventilation openings are equipped with fire flaps, AC and DC lights AC power outlets, Sea water cooling system for generators and engines, Temperature sensors on water jackets, Fresh water out lets, Stainless steel guard railings, 3 x Bilge pumps (2000 GPH), Lockable water/gas tight door, FRP non-skid flooring, Smoke detector and heat detector, Water maker control panel, Main electrical panels, Tank sentry monitoring panels, Ceiling, sides and bulkheads of engine room are completely insulated with sound proofing and heat insulated materials.

ELECTRICAL SYSTEM

Electrical system of the boat is 3-phase (380/220V, 50Hz)

Main power supplied by two generators (2 x Generator 51.5Kw, 50Hz, 380/220V), 3-phase dockside connection (100Amp) with cable and cable master system, Main switch board system equipped with magnetic contactors, overload protections and short circuit protections, Outgoing circuit protected by circuit breakers Battery isolation switches, 2 x 12V, 200Amp Batteries for Port side engine, 2 x 12V, 200Amp Batteries for Starboard side engine, 2 x 12V, 200Amp Batteries for House, 2 x 12V, 200Amp Batteries for Emergency, 2 x 12V, 100Amp Batteries for Port side Generator, 2 x 12V, 100Amp Batteries for Starboard side Generator Batteries are charged by two battery chargers, 80Amp, 24V Battery charger for Engine Batteries, 100Amp, 24V Battery charger for House and Emergency batteries, Batteries interconnection panels placed in engine room Main panels are placed in engine room, 380/220V AC Main distribution panel, 380/220V AC Sub distribution panel, 24V DC distribution panel, Secondary distribution panels are placed at 220VAC Upper deck panel (Corridor), 220VAC Lower deck panel (Guest lobby), 12/24VDC Navigation panel (Main console), 230VAC Galley panel, Tank sentry monitoring panels placed in engine room, Fuel tanks, Fresh water tank, Black/Grey water tank, Tank senders for all tanks, 220V AC Power outlets in all cabins, Cathodic protection provided by cross bonded zinc anodes, Port and Starboard Generators isolation battery switches and interconnection panel, Port and Starboard engines isolation switches and interconnections panel, Under water lights (optional).

ENTERTAINMENT SYSTEM

Due to the continuous updating in the television and home theater system, the following entertainment system may be change at any time.

SALOON

LCD TV 55", 8" Ceiling speakers, 9" Ceiling sub woofer, DVD Player, Satellite receiver, Amplifier 5.1, Amplifier for sub woofer, ZR6 multi zone receiver.

AFT COCKPIT

6" Ceiling speakers, Key pad with display.

WHEELHOUSE

6" Ceiling speakers, Key pad with display.

VIP ROOM

LCD TV 40", DVD Player, 6" Ceiling speakers, Sub woofer, Amplifier 5.1, Satellite receiver.

OWNER'S STATEROOM

LCD TV 40", 6" Ceiling speaker, 9" Ceiling sub woofer, DVD Player, Amplifier power for sub woofer, Satellite receiver.

PORT SIDE TWIN GUEST STATEROOM

LCD TV 22", 6" Ceiling speakers, DVD Player, Satellite receiver.

DOUBLE GUEST STATEROOM 01

LCD TV 22", 6" Ceiling speaker, DVD Player, Amplifier, Satellite receiver.

DOUBLE GUEST STATEROOM 02

LCD TV 22", 7" Ceiling speaker, DVD Player, Amplifier, Satellite receiver.

CAPTAIN'S CABIN

LCD TV 22", Satellite receiver.

POWER AND DRIVE SYSTEMS

Power assisted electro hydraulic steering system, Direct shaft drive through tunnel, 2 x Propellers, 5-blade, AB2 material, 2 x Rudders, 2 x P-brackets, 2 x Stainless steel shafts, 2 x Hydraulic trim tabs, Trim tabs switches and gauges at lower helm and main helm position, Engine Throttle, 2 x Seawater strainers for main engines.

FIRE EXTINGUISHING SYSTEM

Fixed fire extinguisher in engine room connected with pull cable to cockpit, Fire alarm and Fire bell at wheelhouse and engine room, Smoke detectors in all cabins, Hand operated portable fire extinguishers installed for immediate use in all cabins: VIP cabin-01no, Owner's room-01no, Port side twin guest cabin-01no, Double guest cabin 01-01no, Double guest cabin 01-01 no, Captain's cabin-01no, Crew cabin 01-01no, Crew cabin 02-01no, Galley-01no, Wheelhouse-01no, Engine room-01no, Flybridge-01no, Fire line manifold system installed in rudder compartment, 1 x Mechanical pump with bypass valves for fire and bilge piping, Fresh water line is connection to manifold for priming and cleaning, Plumbing are made of CuNiFe/Stainless steel pipes

PROFILE

Majesty Yachts

Gulf Craft launched its range of luxury fly-bridge yachts in 2004, and today features an innovative and extensive range of yachts from 44 feet to 135 feet. Majesty Yachts relies on a in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury.

Operating from a 500,000 square foot modern facility, Majesty Yachts are built to leading international standards, including ABS, MCA, BV and RINA, and under strict supervision such as Lloyds, ensuring no compromise between luxury and safety. Majesty Yachts has also built to charter specifications, the US Coast Guard and Australian Coast Guard specifications.

Technologies used in the Majesty Yachts range include advanced composite construction and vacuum infusion processes, water-jet drives engineered on large yachts, and gyro marine stabilizers.

Some of the recent Majesty Yachts accomplishments include the Majesty 130, which notched up 10,000 nautical miles in her maiden voyage, and the introduction in the South American market of the Majesty 50 and Majesty 56.

Owners of Majesty Yachts enjoy luxury that's meaningful, customization without the price premium, and performance-based sea keeping. The result is that Majesty owners are today cruising four continents with the confidence in a yard that's committed to sustainably growing its market by selling its yachts, and offering unforgettable yachting experiences.

Superyachts

A Majesty Yacht is the perfect hideaway. Here time comes to stand-still and the rest of the world suddenly seems far away. Owning a vessel of this exceptional standard opens up a way of life which is unique in this world. Ocean-going, this private island is your own undisturbed piece of privacy on this planet - the one with the best views. With only the blue horizon visible over the bow, the unknown invites you.

However, the difference is in the detail. We invite you to make the time to share with our design team your vision and select finishes and features. It's our privilege to assist you in the creation of a masterpiece that un-mistakably carries your signature.

A Majesty Yacht is a true engineering feat, though the technical complexity is hardly visible. Excellent insulation characteristics ensure that the roar of the engines is reduced to a silent purr. Comfort is guaranteed with the optional introduction of stabilizers, while an entire engine room full of technology keeps you independent and in control. Safety and comfortable luxury are not contradicting requirements with Majesty Yachts. Built under rigorous class inspection, Majesty Yachts contain a host of amenities and feature the latest high-tech toys and entertainment facilities. Majesty Yachts specifications have been designed to set a new standard for yacht construction – one beyond compare.

With the Majesty 101, Majesty 121, Majesty 125 and the Majesty 135, Gulf Craft has been producing yachts of a remarkable quality for a global customer base. Based on nearly 30 years of experience in fiberglass boatbuilding, the company has been successful in carefully developing an outstanding range of customizable yachts.

Majesty 101

Majesty 125

Majesty 121

Majesty 130

Gulf Craft is the Middle East's and Asia's leading manufacturer of leisure boats and yachts. Founded in the United Arab Emirates in 1982, Gulf Craft today exports a range of vessels from 20 foot runabouts to 135 foot triple deck luxury yachts, making it one of the most diverse portfolios in the leisure marine industry.

With Gulf Craft's nearly 30 prolific years building boats, and 135 years of management experience in the industry, we have learned the art of combining seafaring passion and luxury with sensible manufacturing, dutiful craftsmanship, and exacting international standards.

It is in this space that we excel. Gulf Craft is a company built on the soil of Arabian heritage, and in the honored memory of seafaring forefathers. Forefathers that respected the principle that proper form is in its effectiveness.

Gulf Craft employs 1,400 skilled craftsmen and owns state of the art manufacturing and servicing facilities across 5 sites. This enables us to in-house major production processes and ensure tighter quality control, cost efficiency, and the ability to be flexible with client requirements. Gulf Craft has grown into one of a handful of manufacturers in the world with the skill and capacity to produce luxury super-yachts of more than 100 feet in length, and to embed in all its craft the latest technologies to meet challenging design and performance requirements.

Above all, Gulf Craft's vision is to deliver unforgettable boating experiences. This means not only being at the forefront of our industry, but that we are also known for providing innovation and quality without the price premium. Professional and business integrity is key to this vision. Diligent environmental and social responsibility policies and practices demonstrate our care towards our clients, partners, suppliers, staff and ultimately the community in which we operate.

The result is that Majesty owners are today cruising four continents with the resilient confidence in a yard that's committed to sustainably growing its market by selling its yachts at sea.
