MAJESTY 125

MAJESTY 125

THE MAJESTY 125 EMBODIES THE VALUES OF THE MAJESTY LINE OF SUPERYACHTS: LUXURY THAT IS MEANINGFUL, CUSTOMIZATION WITHOUT COMPROMISE OR PREMIUM, AND PERFORMANCE-BASED SEA KEEPING. SHE FEATURES FIVE EN SUITE STATEROOMS THAT ACCOMMODATE TEN GUESTS AND EMPHASIZE PANORAMIC VIEWS. OUTDOOR SPACE IS HIGHLIGHTED THROUGHOUT HER FOUR DECKS, WITH PLENTY OF LOUNGING AND ENTERTAINMENT AREAS FORE AND AFT OF THE YACHT. THE DISTINGUISHED "HAWKBILL" EXTERIOR STYLING IS COMPLIMENTED BY CAREFUL SELECTION OF FINE LEATHERS, WOODS, AND MARBLES TO BREATHE LUXURY INTO ITS EXCLUSIVE INTERIOR DESIGN.

TECHNICAL DATA

Length Overall	125' (38.40 m)
Length Waterline	106' 10" (32.56 m)
Maximum Beam	24' 08" (7.55 m)
Draft	6' 6" (2 m)
Fuel Capacity	7,595 US gal (28,750 l)
Water Capacity	1,500 US gal (5,678 l)
Black Tank Capacity	400 US gal (1,515 l)
Gray Tank Capacity	400 US gal (1,515 l)
Displacement	205 t Approx.
Construction	FRP
Accommodation	5 Staterooms (10 Berths) 3 Crew Cabins (6 Berths) 1 Captain's Cabin
Bathrooms	5 En suite, 4 Crew, 2 Day Head
Generator	2 x Northern Lights 80 kW, 50Hz
Power Option	2 x MTU 16 v 2,000 M93 2,400 HP each

Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding; details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel. Standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case of any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact our sales representative to reconfirm standard and optional features on the vessels.

OVERALL SPECIFICATIONS

Power assisted servo hydraulic steering system, Hydraulic bow thruster 80HP, 24V DC, 220V/380/415V AC electrical system, Shore Power 1 x 380V, 50Hz, 3-Phase, 125 Amps with 30M length cable and Cable Master System, 2 x Generator 380/415V, 3-Phase, 80Kw, 50Hz, 2 x Hydraulic windlass with dual station controls type VWC 6000 make Maxwell or equivalent, 2 x Anchors SHHP (125kg each), 2 x Chains for anchors with 150M length stud link chain U2 grade of 16mm diameter, Dual station electric trim tabs controls with gauges, Dual station Autopilot, Dual station VHF radio, Dual station forward and aft search light controls, Electric quiet flush toilets, Full length transom platform with tender storage facilities, Multipurpose Transformer, Transom platform with tender storage facilities, Stainless steel Transom doors with signage 125, Navigations lights according to the international regulations, Fire detection system in all cabins, FM 200 Fire extinguisher system for engine room, Chilled water air cooling system with capacity 400 000 BTU, 2 x Propellers, 5-bladed, AB2 material, 2 x Duplex steel tail shafts, Alpha La Valve fuel cleaning system, Sewage treatment system, TRAC 440 Stabilizing system, AISI 316L Stainless steel mooring Cleats, two on fore deck, two on aft deck and four on mid ship AISI 316L Stainless steel railings, Camera monitoring system, 12 x Under water lights, Sea water plumbing lines are made of CuNiFer or Stainless steel material, Stern garage for Dingy and Jet sky, Hydraulic power operated Stern garage door, Hot and Cold water Transom shower, Round shape stainless steel portholes with clear safety glass, Teak decking on cockpit, transom platform, gunnel area, upper deck and flybridge, Upholstered exterior sofa seats at aft cockpit, forward area, upper deck and flybridge.

MAIN SALOON

Stainless steel framed sliding door to cockpit, Sofa seats, Sofa side tables, Fitted carpet and wood surround, Side windows with curtains, roman and pleated blinds, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Air conditioning with control switch, Telephone point, Curtains for main saloon door, Port and Starboard side wall cabinets with shelves, Aft storage lockers with shelves, Fabric/Leather wall panels.

DINING AREA

Extendable round dining table, 10 x Chairs, Cabinets with doors and drawers, Marble counter top lockers, Glassware and cutlery, Architectural lighting, Lighting switches and AC sockets, Air conditioning with control switch, Wood floor with marble boarder, Door to galley and family dining, Door to main deck lobby, Fabric/Leather wall panels.

GALLEY

Lockable water tight door leading to port side deck, Corian counter top, Vinyl flooring, Sink and tap with hot and cold water supply, Cabinets Overhead lockers and drawers, Refrigerator, Freezer, Hob, Fryer and Grill, Hood, Oven and Microwave oven, Dish washer, Wine cellar, Waste disposer, Architectural lighting, Lighting switches and AC sockets, Air conditioning with control switch, Family dining table and chairs, Windows with pleated blinds, Telephone point, Entrance door to crew stairs and main lobby access door.

MAIN DECK LOBBY

From dining area to dayhead, owner's office, owner's cabin and stairs down to lower deck, Watertight side door leading to Starboard side deck, Marble flooring, Architectural lighting, LED lighting to steps, Lighting switches and AC sockets, Storage locker, Door to day head toilet.

DAY HEAD TOILET

Vanity locker with Marble counter top, Wash basin and Tap with hot and cold water supply, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Mirror, Electric toilet, Extractor fan, Architectural lighting, Vanity lighting, Cabinetry lighting, Lighting switches and AC sockets, Marble flooring, Towel storage and product shelf.

OWNER'S OFFICE

Desk, Chair, Sofa seat, Storage locker and open shelves, French parquet floor, Window with electric curtain, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Air conditioning with control switch, Fabric/Leather wall panels, Door to owner's cabin.

OWNER'S STATEROOM

Large double bed with mattress, pillows and bedspread, Fitted carpet and wood surround, Bed side lights, Bed side cabinets, Desk, Chair, Writing table and wardrobe, Windows with electric curtains, Storage cabinets and drawers, Storm shutter storage, 4 x Drawers to bed, Architectural lighting, Cabinetry lighting, Reading lights, Lighting switches and AC sockets, Air conditioning with control switch, Telephone points, Entrance door to ensuite, Entrance door to walk-in-closet, Fabric/Leather wall panels.

OWNER'S EN SUITE

2 x Wash basins and taps with hot and cold water supply, Marble counter top, Napoli tub, Storage cabinets and drawers, Mirror, Architectural lighting, Vanity lighting, Cabinetry lighting, Shower light, Lighting switches and AC sockets, Shower room, Frosted glass to Shower room, Hot and cold water shower mixer, Sky shower, Electric toilet, Bidet, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Extractor Fan, Windows with blinds, Marble flooring Marble wall panels.

OWNER'S WALK-IN- CLOSET

Storage lockers, Window with curtain, Fitted carpet and wood surround, Wardrobe, Triptique mirror, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Shelves and drawers, Fabric/Leather wall panels.

UPPER DECK

PANORAMIC SALOON

Bar counter with marble top, Sink and Tap with hot and cold water supply, 3 x Bar stools, Storage lockers and drawers, Fridge, Sofa seat and table, Sofa side table with marble counter top, French parquet at bar area, Lockers and Glass stowage, Round dining table with marble top, 4 x Chairs, Wooden floor with marble boarder, Patio door to upper deck aft cockpit, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Air conditioning with control switch, Leather wall panels, Windows with electric curtains, roman and pleated blinds, Telephone point.

DAY HEAD TOILET

Vanity locker with Marble counter top, Wash basin and tap with hot and cold water supply, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Mirror, Electric toilet, Extractor fan, Marble flooring, Vanity lighting, Architectural lighting, Lighting switches and AC sockets, Towel storage and product shelf.

UPPER DECK LOBBY

From Panoramic saloon to dayhead, wheel house and stairs down to main deck, Marble flooring, Audio/Video storage locker, Storage locker, Steps down to main lobby, LED lighting to steps, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Wash basin and tap with hot and cold water supply, Fridge, Entrance door to wheel house, Entrance door to day head toilet, Entrance door to Panoramic saloon.

CAPTAIN'S CABIN

Large double bed, Drawer to bed, Bed side table, Storage under the bed, Wardrobe, Windows with pleated blinds, Architectural lighting, Cabinetry lighting, Reading lights, Lighting switches and AC sockets, Air conditioning with control switch, Entrance door to ensuite, Fitted carpet, Telephone point.

CAPTAIN'S EN SUITE

Vanity with marble top, Wash basin and tap with hot and cold water supply, Electric toilet, Storage lockers wardrobe, Hot and cold water shower mixer, Port hole with curtain, Mirror, Architectural lighting, Cabinetry lighting, Shower light, Lighting switches and AC sockets, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Extractor fan, Marble flooring.

LOWER DECK

GUEST LOBBY

Stairs from main deck, Sub distribution panel, Storage below stair case, Storage locker below distribution panel, Entrance door to port double guest cabin, Entrance door to starboard double guest cabin, Entrance door to port twin guest cabin, Entrance door to starboard twin guest cabin, Marble flooring, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Veneer wall panels.

PORT DOUBLE GUEST STATEROOM

Large double bed, Twin bed side tables with marble top, 2 x Drawers to bed, Storm shutter storage, Wardrobe, Shelves, Desk, Storage lockers, Fitted carpet and wood surround, Architectural lighting, Cabinetry lighting, Reading lights, Lighting switches and AC sockets, Air conditioning with control switch, Entrance door to ensuite, Fabric/Leather wall panels, Porthole with roman and pleated blinds, Telephone point.

PORT DOUBLE GUEST EN SUITE

Vanity locker with marble counter top, Wash basin and tap with hot and cold water supply, Storage locker with shelves, Mirror, Towel storage, Marble flooring, Shower lighting, Architectural lighting, Cabinetry lighting, Vanity lighting, Shower light, Lighting switches and AC sockets, Electric toilet, Bidet, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Frosted glass door to shower room, Shower mixer, Sky shower, Shelf in shower room, Port hole with pleated blinds, Marble flooring, Marble wall panels.

STARBOARD DOUBLE GUEST STATEROOM

Large double bed, Twin bed side tables with marble top, 2 x Drawers to bed, Storm shutter storage, Wardrobe, Shelves, Desk, Storage lockers, Fitted carpet and wood surround, Reading lights, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Air conditioning with control switch, Entrance door to ensuite, Fabric/Leather wall panels, Porthole with roman and pleated blinds, Telephone point.

STARBOARD DOUBLE GUEST EN SUITE

Vanity locker with marble counter top, Wash basin and tap with hot and cold water supply, Storage locker with shelves, Mirror, Towel storage Architectural lighting, Cabinetry lighting, Shower light, Vanity lighting, Lighting switches and AC sockets, Electric toilet, Bidet, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Frosted glass door for shower room, Hot and cold water shower mixer, Sky shower, Shelf in shower room, Port hole with pleated blinds, Marble flooring.

PORT TWIN GUEST STATEROOM

2 x Single beds, 2 x Drawers to bed, Storm shutter storage, Bed side table with marble top, Ward robe, Reading lights, Architectural lighting, Cabinetry lighting, Lighting switches and AC sockets, Air conditioning with control switch, Fitted carpet and wood surround, Entrance door to ensuite Fabric/Leather wall panels, Porthole with roman and pleated blinds, Telephone point.

PORT TWIN GUEST EN SUITE

Vanity locker with marble counter top, Wash basin and tap with hot and cold water supply, Storage locker with shelves, Mirror, Towel storage, Shower lighting, Architectural lighting, Cabinetry lighting, Shower light, Vanity lighting, Lighting switches and AC sockets, Electric toilet, Bidet Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Frosted glass door for shower room, Hot and cold water shower mixer, Sky shower, Shelf in shower room, Port hole with pleated blind, Marble flooring, Marble wall panels.

STARBOARD TWIN GUEST STATEROOM

2 x Single beds, 2 x Drawers to bed, Storm shutter storage, Bed side table with marble top, Ward robe, Architectural lighting, Cabinetry lighting, Reading lights, Lighting switches and AC sockets, Air conditioning with control switch, Fitted carpet and wood surround, Entrance door to ensuite, Fabric/Leather wall panels, Porthole with roman and pleated blinds, Telephone point.

STARBOARD TWIN GUEST EN SUITE

Vanity locker with marble counter top, Wash basin and tap with hot and cold water supply, Storage locker with shelves, Mirror, Towel storage, Architectural lighting, Cabinetry lighting, Shower light, Vanity lighting, Lighting switches and AC sockets, Electric toilet, Bidet, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail), Frosted glass door for shower room, Hot and cold water shower mixer, Sky shower, Shelf in shower room, Port hole with pleated blind, Marble flooring, Marble wall panels.

CREW GALLEY AND LOUNGE

Stairs from main deck, Stainless steel hand rail, Fridge, Washing/Dryer, Microwave oven, Storage locker, Corian counter top, Storage lockers with shelves, S,S Sink and tap with hot and cold water supply, Over head lockers, Open shelves, Air conditioning with control switch, Porthole with pleated blinds, Vinyl flooring, "U" shaped sofa seat and table, Storage lockers above the sofa, Architectural lighting, Counter lighting, Lighting switches and AC sockets, Telephone point.

CREW CABINS (3 NOS)

2 x Bunk beds, Wardrobe, Porthole with pleated blinds, Air conditioning with control switch, Architectural lighting, Cabinetry lighting, Reading lights, Lighting switches and AC sockets, Veneer/Fabric/Leather wall panels, Vinyl flooring, Entrance door to ensuite, Telephone point.

CREW CABIN EN SUITES (4 NOS)

Vanity counter with corian counter top, Electric toilet, Sink and tap with hot and cold water supply, Storage locker, Mirror, Hot and cold water shower mixer, Sky shower, Architectural lighting, Lighting switches and AC sockets, Complete set of sanitary accessories (soap holder, paper holder, toilet brush holder, sanitary jet, towel rail).

MISCELLANEOUS

Fenders-12 no, Mooring lines, Boat hooks-02no, Owner's manuals.

DECK FITTINGS

Side pantograph door on Port and Starboard side, 2 x Hydraulic Anchor windlass with hand controls, Stainless steel bow guard and anchor pockets, 2 x Anchors (125kg each), 2 x Chains for anchors 150m length U2 grade of 16mm dia, 2 x Capstans and pop-up cleats located at aft cockpit, 4 x Stainless cleats on forward area, 2 x Stainless deck cleats on swim plat form, 8 x Hawser pipes, Deck hatch access to chain locker, Fresh water deck wash outlets at forward, aft and upper deck and mid ship, Stainless steel guard rails, Safety glass side windows, Front wind screen, Wind screen wipers with fresh water washing system, Teak wood fitted on swim platform, cockpit and side decks, Self draining, Lighting around the side decks, Upholstered Sofa seat and table at forward area, 2 x Round tables at forward area, Stainless steel guard railing at main deck gunnel, upper deck gunnel, forward area and flybridge, Fenders baskets, Fuel and Water fillers and Black tank overboard discharge on side deck, Name board with lighting, S,S Flagpole on upper deck aft, Hydraulic door for Stern garage, Round shape portholes, 12 x Under water lights.

MAIN DECK AFT COCKPIT

Cockpit lighting, Stainless steel handrails, Self Draining, Stainless steel framed sliding door to Saloon, Storage within aft seat moulding, Integral stairway to upper deck with Teak treads, Bathing platform, Stairs to garage and engine room, 2 x Speakers connected to main saloon, 2 x pop-up cleats, 2 x Capstans located in aft cockpit, Stainless steel Transom doors with signage 125, Cockpit table, Steps to down bathing platform, Multipurpose Transformer, Cockpit stainless steel supports to upper deck, Port and Starboard side bulwark doors at aft and mid ship, Hot/Cold water hand shower, Deck wash at forward, aft and upper deck, Television and telephone connections, Locker with Fire damper pull-pin cables, Emergency fuel shutoff valve pull-pin cable, Engine room fire cylinder pull-pin cable, Locker with fire hydrant valve and fire hose reel with nozzle, Television and telephone connections, 3-Phase, 125Amps dock side connection with 30 meter length cable and cable master system, Fresh water input and out let, Upholstered sofa seats, 2 x Pop-up cleats on bathing platform.

STERN GARAGE

Electro- hydraulic power operated garage door for opening/closing, Lockable gas/water tight door to engine room, Stairs to side

deck, Diving suits, Diving cylinders, Diving compressor, Hydraulic pump for garage door, Power steering pack, Trim tab hydraulic pump, Transformer hydraulic pump, Fire hydrant valve with hose reel and nozzle, Port holes, Storage locker, Shore power connection box (200Amp, 415V, 3PN, 50Hz), Garage door control box, Sink and tap with hot and cold water supply, Washer/Dryer, 2 x Water heaters (capacity 67Lts each), Shore power cable and drum, Battery charger, Ceiling Crane 500kg capacity.

UPPER DECK COCKPIT

Stair way from lower deck cockpit, Stainless steel railing, 2 x Liferasts (16 persons each), Dining table with seating, Teak decking, Corian counter top, Sink and tap with hot and cold water supply, Fridge and Ice maker, Patio door, Electric Sun shader, Upholstered sofa seats, Stair way to flybridge, Self draining.

FLY-BRIDGE

Stairway from upper deck, Stainless steel framed wind deflector screen, Fiberglass hard top, Lighting on underside of hard top, Stainless steel railings, Fully-fitted wet bar with corian top, Tap with hot and cold water supply, Fridge, Ice maker, Dining table with seating, "U" shaped sofa seating and table, Port and starboard side sofa seats and tables, Steps to Jacuzzi with stainless steel hand railing, Upholstered sofa seating, Jacuzzi and pump, Electric barbeque, Storage under the Jaca seats, Deck lights and flood lights, Port and starboard side navigation lights, MF/HF Radio antenna.

FLY-BRIDGE HELM

Helm seat with fore and aft adjustment system, Instruments console with engine instruments and fuel gauges, Steering wheel, Engine throttle, Port and starboard side engine rpm gauges, Rudder angle gauge, Trim tab gauge, 2 x Navigation displays, Wind displays, Auto pilot, Port and starboard side engine controls, Bow thruster control, Windlass controls, Trim tab switches, Light switches, VHF Radio and hand set, 2 x MCU 001 Key board controls.

MAST

The following equipments to be installed on Mast stand:Platform for radar and areals, Lighting arrestor, Anchor light, Mast head light, Sailor telephone, 2 x GPS Antenna, FAX 30(2.6M Whip antenna), MF/HF Radio (2.6M Whip antenna), 2 x VHF Antenna, Satellite compass, FWD Search light, Not Under Command light 1, Not Under Command light 2, Flir camera, Pan tilt camera, AFT Search light, Open array 4kw scanner, Open array 6kw scanner, Thuraya satellite phone, NX 7H Antenna, GVA- 100 combine antenna (AIS), TV satellite.

WHEELHOUSE

Helm seat with fore and aft adjustment system, Instrument console with engine instruments, fuel gauges and navigation displays, Port and starboard side engine displays, Bow thruster control, General alarm, Detection fire alarms, AFT search light controls, FWD search light controls and switches, 2 x MCU 001 Keyboard controls, 2 x Port and Starboard side engine room exhaust fan controls, Trim tab switch, Compass, Steering wheel, Horn switch, Engine Throttle, Auto pilot, Wiper controls, Night vision controls, Whistle control, 2 x Anchor winch controls, Satellite compass, Bow thruster pump switch, Stabilizer display, 2 x Navigation displays, Port and Starboard side engine rpm gauges, Port and Starboard side engine oil temperature gauges, Port and Starboard side engine oil pressure gauges, Port and Starboard side gear box temperature gauges, Port and Starboard side gear box oil pressure gauges, Trim tab gauges, Rudder angle indicator, Navigation lights panel, 2 x Multi displays, MSB display, VHF Radio hand set, Tanks display, AIS(Automatic Identification System), Radar display, Radar display backup, Navitex receiver, MF/HF receiver, Bilge pumps switches, Air conditioning with control switch, Architectural Led decorative lighting, Sofa seat, Desk and Chair, Sub distribution panel, Entrance door to upper deck lobby, Entrance door to Captain Cabin.

ELECTRICAL SYSTEM

Electrical system of the boat is 3-phase, 380/415V, 50Hz (limiting fluctuations in shore power voltage to +/- 4%), Main shore power supplied by two generators (2 x 80Kw Generators), 3-phase dockside connection (125Amp) with Cable master system, Telephone and television dockside connection, Power management and load sharing protection system Battery isolation switches, 2 x 12V, 200Amp Batteries for Port side Engine, 2 x 12V, 200Amp Batteries for Starboard side Engine, 2 x 12V, 100Amp Batteries for Port side Generator, 2 x 12V, 100Amp Batteries for Starboard side Generator, 2 x 12V, 200Amp Batteries for Service, 2 x 12V, 200Amp Batteries for Machinery, 2 x 12V, 200Amp Batteries for Emergency, 2 x 12V, 100Amp Batteries for MF/HF Radio, Batteries are charged by five battery chargers, 24V, 100Amp Battery charger for Service/Machinery batteries, 24V, 100Amp Battery charger for Port and Starboard engine batteries, Emergency battery charger 24V, 80Amp, 24V, 30Amp Battery charger for Port and Starboard Generator batteries, MF/HF Radio battery charger 24V, 50Amp, Main switch board system equipped with magnetic contactors, overload protections and short circuit protections, 380/415V panel is equipped with the following apparatus for each generator, Volt meter with select switch, Frequency indicator, Ampere meter with current transformers, Watt meter, Signal light on, Signal light alarm, Signal light disconnect, For shore connections:Volt meter with select switch, Ampere meter with current transformers, Phase sequence meter, Signal light connect Signal light disconnect, Signal light shore energized, For 24V system:Voltmeter for general service battery, Voltmeter with change over switch for the starting batteries, Ampere meter, Outgoing circuits protected by circuit breakers All motors to be 220V, single phase and 380/415V, 3-phase, 50 Hz, All cables to be color coded, Protection to the phase line sequence, Secondary distribution panels are placed at:Main deck (Pantry), Lower deck (Lobby), Wheel house (AC panel), Wheel house (Navigation DC panel), Main panel in wheelhouse contain following:Navigation lights, Deck lighting, Navigation equipments, All the lighting systems are 2-pole, 24V DC and 220V AC, 220V AC power outlets in all cabins, Navigation lights according to the international regulations, Navigation lights (red and green), Stern light, Head on mast Anchor light on mast, NUC Light -1, NUC Light -2, Tank senders for all tanks Emergency lighting for all cabins, 2 x Exhaust fans (3- phase) for engine room All seacooks under the water line are grounded.

ENTERTAINMENT SYSTEM

Due to the continuous updating in the television and home theater system, the following entertainment system may be change at any time.

SALOON

58" Plasma TV, Ceiling speakers (SONANCE-S623TR) –03no, 100W Powered sub woofer (SUNFIRE –HRS-12), Handheld WiFi touch panel (TPMC – 4XG), Satellite receiver (Humax).

MAIN DECK AFT REAR EXTERIOR

Marine grade 100w speakers, Marine grade 300w speakers.

SUN DECK

42" Plasma TV, Marine grade 100W speakers (ROCKFORD-M282S) -04no Marine grade 300W speakers, Satellite receiver (Humax).

UPPER DECK OUT SIDE REAR

Marine grade 100W speakers, Marine grade 250W speakers

WHEELHOUSE

Ceiling speakers, Wall mount touch panel.

FAMILY DINING

42" Plasma TV, Ceiling speaker, Satellite receiver

OWNER'S CABIN

50" Plasma TV, 1000W Powered Sub woofer, Ceiling speakers, Satellite receiver (Humax) -01no.

PANOROMIC SALOON

58" Plasma TV, Touch panel wall mount, Ceiling speaker, 1000W Powered Subwoofer, Satellite receiver

PORT DOUBLE GUEST STATEROOM

40" LED TV, Satellite receiver

STARBOARD DOUBLE GUEST STATEROOM

40" LED TV, Satellite receiver

PORT TWIN GUEST STATEROOM

26" LCD TV, Satellite receiver

STARBOARD TWIN GUEST STATEROOM

26" LCD TV, Satellite receiver

CAPTAIN'S CABIN

26" LCD TV, Satellite receiver

CREW GALLEY AND LOUNGE

32" LCD TV, Satellite receiver

CENTRAL CONTROL SYSTEM

48 Port smart switch (Netgear) – 01no, Central control processor for controlling 10/100 Base T half/full duplex Ethernet expansion card, 8 x 200W Power Amplifier, Receiver, Volume controller, Mini server with 4 Disc cart, Mini Player, Audio Matrix DSP Processor (Bi-Amp)

LIGHTING CONTROL SYSTEM

8 x 2A Multipurpose controller, 1 x 2A Dimmer module, Network power supply, 7 Button Keypad, 13 Button Keypad, Network Gateway, Fan Coil Unit Controllet, Encloser (DynaIite)

COMMUNICATION SYSYETM

PABX telephone system connected with following areas:Captain cabin, Wheel house, Panoramic Saloon, Owner's cabin, Galley, Main saloon, Crew cabin 01, Crew cabin 02, Crew cabin 03, Crew mess area, Port twin guest cabin Starboard twin guest cabin, Port double guest cabin, Starboard double guest cabin, Engine room aft, Garage area.

ENGINE ROOM

2 x Main engines (Twin MTU 16V 2000 M93.2400HP/2450RPM), Gear boxes (ZF Marine, Reduction ratio 2.520:1), 2 x Generators 80Kw, 50Hz, 3-phase, 380V, Stabilizing system, Oil exchange system for engines/generators, Intakes for air circulation, 2 x Extractor fans, Temperature sensor on exhaust jackets, Flexible mountings for generators/engines, Engines/Generators equipped with water-injected exhaust pipes, Fire extinguishing system is installed with necessary nozzles, Engine room Siren, Light work bench, Vice of Forged steel, 220VAC Power outlets, Storage space for spare parts list, Stainless steel guard railings, Floodlights, Bilge alarm system, Camera monitoring system, Sewerage treatment plant, Fuel transfer manifold, Port and starboard side chillers control boxes, 2 x Water maker's 1800 Gallons/day, Horn compressor, Battery bank and battery bank key switch panel, Lube oil manifold, Fuel drain manifold, Fuel centrifuge (max.2000 l/ht, operating pressure 3bar), Water maker control panel, Port and starboard oil pressure, engine temperature, DC voltage, engine hour's gauges and auto/manual engine controls, Port and starboard side exhaust fan control boxes, Fresh water inlet connection, Stern garage control boxes, Telephone point, Horn compressor relay box.

FUEL SYSTEM

Total Fuel capacity 7.595 US Gallons (28750.20 Liters), All tanks provided with manholes, fill pipes, ventilation pipes, and connection pipes to manifold, Manual fuel shutoff valve, Racor fuel filters for engines, Electric fuel transfers pump 380V/3-phase, Fuel levels are visible on monitoring panel, Fuel sight level gauges to fuel tanks, Manual fuel pump, Isolation valves to fuel manifold, Alfa LaValve fuel cleaning system, Fuel fillers on Port and Starboard side deck, Fuel lines are made of stainless steel, Fuel pipe connections to engines/generators by flexible hoses/stainless steel pipes.

BILGE SYSTEM

High water level alarm system for each water tight compartment, Automatic bilge pumps fitted in each water tight compartment (3700GPH), Bilge alarm panel at wheel house console, Fire line manifold system is installed in engine room, 1 x mechanical pump with bypass valves for Bilge purpose, 1 x Hand operated bilge pump with bypass valves for suction of the bilges in each water tight compartment, Bilge lines are made of CuNiFer/Stainless steel pipes.

FIRE AND SAFETY SYSTEM

1 x mechanical pump with bypass valves for Fire purpose, Fresh water line is connected to manifold for priming and cleaning system, Fire alarm connected with all cabins smoke sensors, Portable dry powder fire extinguishers in all cabins, FM 200 fire extinguishing system for engine room, Engine room fire extinguisher emergency handle fitted at aft cockpit recessed locker, Fuel shutoff valve emergency handle fitted at aft cockpit recessed locker, Engine room extractor fan emergency switches located at aft cockpit recessed locker, Fire plumbing lines are made of CuNiFer/Stainless steel pipes, Fire hydrant locations at:Main deck forward, Main deck Galley, Main deck aft cockpit port side, Garage, Lower deck Guest Lobby, Upper deck aft cockpit.

ALARM SYSTEM

The following Alarm functions to be monitored, Bilge, General alarm, Day tank level high and low, Sewage tank level high, Fresh water low level, Fuel oil storage tank low level, Fire alarm with schematic position indication.

POWER AND DRIVE SYSTEM

Hydraulic Bow thruster 80HP, TRAC 440 Stabilizing system, Direct shaft drive through tunnels, 2 x Propellers, 5-bladed, AB2 material, 2 x P-brackets, 2 x Rudders, 2 x Duplex steel tail shafts, Seawater strainers for main engines and generators, 2 x Hydraulic trim tabs, Cathodic protection provided by zinc anodes.

BLACK AND GREY WATER SYSTEM

Black water tank capacity 400 US Gallons (1,514.16 Liters), Grey water tank capacity 400 US Gallons (1,514.16 Liters), Electric Tecma toilets, Tecma toilet pump discharging to black water tank, Black water tank and Grey water tank level indication at monitoring panel, 3-way diverter valve for overboard discharge, Lower deck Washbasins, Showers, Air conditioning units draining to main grey water tank, Black and Grey water pumps works on automatically/manually, Black and Grey water pumps on 380/415V, 3-phase Black and Grey water plumbing lines are PVC pipes/flexible hoses, Sewage treatment plant system.

FRESH WATER SYSTEM

Fresh water tank capacity 1500 US Gallons (5,678.11 Liters), 2 x AC fresh water pumps 230V, 50Hz, Pressurized hot and cold water system, 4 x Marine standard electric water heaters for hot water (each capacity 67Lts), Water heated by 240V immersion heater, GF piping throughout supplying all outlets Filling and ventilations to side deck, Dock connection for shore water supply on aft swimming platform with pressure regulator, One handheld shower with hot and cold water supply on swimming platform, 2 x Water makers 1800 Gallons/day, 380/415V, 3 phase, 50 Hz, Inline filters for fresh water system.

AIR CONDITIONING SYSTEM

Chilled water air conditioning system with capacity 400 000BTU, All compressors on 380/415VAC and handlers on 220VAC, 2 x Sea water pumps, 2 x Chiller water pumps, Chiller units, Chiller water pumps, Sea water pumps placed in engine room, All plumbing lines are made of PVC pipes, All plumbing lines are well insulated, Chillers sea water cooling plumbing lines are made of CuNiFer/stainless steel, A/C control switches in all cabins.

LUBRICATING OIL CHANGING SYSTEM

Fresh lube oil tank capacity 120 US Gallons, Dirty lube oil tank capacity 120 US Gallons, Engines/Generators are connected with stainless steel pipes/flexible hoses to fresh and dirty lube oil tanks, One electric oil change pump, Manual oil change pump, Manifold system.

SAFETY EQUIPMENTS

24 x Solar Life jackets for adults and childrens, 6 x Life rings, 2 x life rafts (16 persons each), First Aid kit-02no, Fire blanket-02no.

MAJESTY YACHTS

Majesty Yachts

Gulf Craft launched its range of luxury fly-bridge yachts in 2004, and today features an innovative and extensive range of yachts from 44 feet to 135 feet. Majesty Yachts relies on a in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury.

Operating from a 500,000 square foot modern facility, Majesty Yachts are built to leading international standards, including ABS, MCA, BV and RINA, and under strict supervision such as Lloyds, ensuring no compromise between luxury and safety. Majesty Yachts has also built to charter specifications, the US Coast Guard and Australian Coast Guard specifications.

Technologies used in the Majesty Yachts range include advanced composite construction and vacuum infusion processes, water-jet drives engineered on large yachts, and gyro marine stabilizers.

Some of the recent Majesty Yachts accomplishments include the Majesty 130, which notched up 10,000 nautical miles in her maiden voyage, and the introduction in the South American market of the Majesty 50 and Majesty 56.

Owners of Majesty Yachts enjoy luxury that's meaningful, customization without the price premium, and performance-based sea keeping. The result is that Majesty owners are today cruising four continents with the confidence in a yard that's committed to sustainably growing its market by selling its yachts, and offering unforgettable yachting experiences.

Superyachts

A Majesty Yacht is the perfect hideaway. Here time comes to stand-still and the rest of the world suddenly seems far away. Owning a vessel of this exceptional standard opens up a way of life which is unique in this world. Ocean-going, this private island is your own undisturbed piece of privacy on this planet - the one with the best views. With only the blue horizon visible over the bow, the unknown invites you.

However, the difference is in the detail. We invite you to make the time to share with our design team your vision and select finishes and features. It's our privilege to assist you in the creation of a masterpiece that un-mistakably carries your signature.

A Majesty Yacht is a true engineering feat, though the technical complexity is hardly visible. Excellent insulation characteristics ensure that the roar of the engines is reduced to a silent purr. Comfort is guaranteed with the optional introduction of stabilizers, while an entire engine room full of technology keeps you independent and in control. Safety and comfortable luxury are not contradicting requirements with Majesty Yachts. Built under rigorous class inspection, Majesty Yachts contain a host of amenities and feature the latest high-tech toys and entertainment facilities. Majesty Yachts specifications have been designed to set a new standard for yacht construction - one beyond compare.

With the Majesty 101, Majesty 121, Majesty 125 and the Majesty 135, Gulf Craft has been producing yachts of a remarkable quality for a global customer base. Based on nearly 30 years of experience in fiberglass boatbuilding, the company has been successful in carefully developing an outstanding range of customizable yachts.

Gulf Craft is the Middle East's and Asia's leading manufacturer of leisure boats and yachts. Founded in the United Arab Emirates in 1982, Gulf Craft today exports a range of vessels from 20 foot runabouts to 135 foot triple deck luxury yachts, making it one of the most diverse portfolios in the leisure marine industry.

With Gulf Craft's nearly 30 prolific years building boats, and 135 years of management experience in the industry, we have learned the art of combining seafaring passion and luxury with sensible manufacturing, dutiful craftsmanship, and exacting international standards.

It is in this space that we excel. Gulf Craft is a company built on the soil of Arabian heritage, and in the honored memory of seafaring forefathers. Forefathers that respected the principle that proper form is in its effectiveness.

Gulf Craft employs 1,400 skilled craftsmen and owns state of the art manufacturing and servicing facilities across 5 sites. This enables us to in-house major production processes and ensure tighter quality control, cost efficiency, and the ability to be flexible with client requirements. Gulf Craft has grown into one of a handful of manufacturers in the world with the skill and capacity to produce luxury super-yachts of more than 100 feet in length, and to embed in all its craft the latest technologies to meet challenging design and performance requirements.

Above all, Gulf Craft's vision is to deliver unforgettable boating experiences. This means not only being at the forefront of our industry, but that we are also known for providing innovation and quality without the price premium. Professional and business integrity is key to this vision. Diligent environmental and social responsibility policies and practices demonstrate our care towards our clients, partners, suppliers, staff and ultimately the community in which we operate.

The result is that Majesty owners are today cruising four continents with the resilient confidence in a yard that's committed to sustainably growing its market by selling its yachts at sea.
