## MAJESTY 70

THE MAJESTY 70 IS AN EXQUISITE CELEBRATION OF LIGHT. THE PANORAMIC SIDE WINDOW DESIGN CREATES THE IMPRESSION YOU ARE OUT ON THE WATER WHILE SEATED IN THE SPACIOUS SALOON. IT HAS RESULTED IN A YACHT DESIGN WITH AN EXCLUSIVE PRESENCE AND STRIKING PROFILE.

A REFINED SELECTION OF INTERIOR FURNISHINGS, COMBINED WITH EXCELLENT WORKMANSHIP, IS PRESENT THROUGHOUT THE DINING AREA AND SETTEE LOUNGE AREA, DOWN TO THE 4 STATEROOMS LUXURIOUS ACCOMMODATION WITH EN SUITE BATHROOMS. WITH AMPLE SPACE FOR TOYS ON THE FLY-BRIDGE OR ON THE OPTIONAL HYDRAULIC SWIM PLATFORM AND COMFORTABLE CREW QUARTERS FOR 2 STAFF, THE MAJESTY 70 IS AN ELEGANT FLY-BRIDGE MOTO-RYACHT WITH A LARGE FUN FACTOR AND TRUE CRUISING AMBITIONS.

# MAJESTY YACHTS

## Majesty Yachts

Gulf Craft launched its range of luxury fly-bridge yachts in 2004, and today features an innovative and extensive range of yachts from 44 feet to 135 feet. Majesty Yachts relies on a in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury.

Operating from a 500,000 square foot modern facility, Majesty Yachts are built to leading international standards, including ABS, MCA, BV and RINA, and under strict supervision such as Lloyds, ensuring no compromise between luxury and safety. Majesty Yachts has also built to charter specifications, the US Coast Guard and Australian Coast Guard specifications.

Technologies used in the Majesty Yachts range include advanced composite construction and vacuum infusion processes, water-jet drives engineered on large yachts, and gyro marine stabilizers.

Some of the recent Majesty Yachts accomplishments include the Majesty 130, which notched up 10,000 nautical miles in her maiden voyage, and the introduction in the South American market of the Majesty 50 and Majesty 56.

Owners of Majesty Yachts enjoy luxury that's meaningful, customization without the price premium, and performance-based sea keeping. The result is that Majesty owners are today cruising four continents with the confidence in a yard that's committed to sustainably growing its market by selling its yachts, and offering unforgettable yachting experiences.

## Superyachts

A Majesty Yacht is the perfect hideaway. Here time comes to stand-still and the rest of the world suddenly seems far away. Owning a vessel of this exceptional standard opens up a way of life which is unique in this world. Ocean-going, this private island is your own undisturbed piece of privacy on this planet - the one with the best views. With only the blue horizon visible over the bow, the unknown invites you.

However, the difference is in the detail. We invite you to make the time to share with our design team your vision and select finishes and features. It's our privilege to assist you in the creation of a masterpiece that un-mistakably carries your signature.

A Majesty Yacht is a true engineering feat, though the technical complexity is hardly visible. Excellent insulation characteristics ensure that the roar of the engines is reduced to a silent purr. Comfort is guaranteed with the optional introduction of stabilizers, while an entire engine room full of technology keeps you independent and in control. Safety and comfortable luxury are not contradicting requirements with Majesty Yachts. Built under rigorous class inspection, Majesty Yachts contain a host of amenities and feature the latest high-tech toys and entertainment facilities. Majesty Yachts specifications have been designed to set a new standard for yacht construction - one beyond compare.

With the Majesty 101, Majesty 121, Majesty 125 and the Majesty 135, Gulf Craft has been producing yachts of a remarkable quality for a global customer base. Based on nearly 30 years of experience in fiberglass boatbuilding, the company has been successful in carefully developing an outstanding range of customizable yachts.

Gulf Craft is the Middle East's and Asia's leading manufacturer of leisure boats and yachts. Founded in the United Arab Emirates in 1982, Gulf Craft today exports a range of vessels from 20 foot runabouts to 135 foot triple deck luxury yachts, making it one of the most diverse portfolios in the leisure marine industry.

With Gulf Craft's nearly 30 prolific years building boats, and 135 years of management experience in the industry, we have learned the art of combining seafaring passion and luxury with sensible manufacturing, dutiful craftsmanship, and exacting international standards.

It is in this space that we excel. Gulf Craft is a company built on the soil of Arabian heritage, and in the honored memory of seafaring forefathers. Forefathers that respected the principle that proper form is in its effectiveness.

Gulf Craft employs 1,400 skilled craftsmen and owns state of the art manufacturing and servicing facilities across 5 sites. This enables us to in-house major production processes and ensure tighter quality control, cost efficiency, and the ability to be flexible with client requirements. Gulf Craft has grown into one of a handful of manufacturers in the world with the skill and capacity to produce luxury super-yachts of more than 100 feet in length, and to embed in all its craft the latest technologies to meet challenging design and performance requirements.

Above all, Gulf Craft's vision is to deliver unforgettable boating experiences. This means not only being at the forefront of our industry, but that we are also known for providing innovation and quality without the price premium. Professional and business integrity is key to this vision. Diligent environmental and social responsibility policies and practices demonstrate our care towards our clients, partners, suppliers, staff and ultimately the community in which we operate.

The result is that Majesty owners are today cruising four continents with the resilient confidence in a yard that's committed to sustainably growing its market by selling its yachts at sea.
