

SQUADRON 65

  
**SQUADRON**

## SQUADRON 65

WITH AN INCREASE IN SIZE  
COMES AN INCREASE IN THE  
ABILITY TO REALLY IMPRESS.  
THIS 65-FOOT SQUADRON  
APPEARS TO GO ONE STEP  
FURTHER THAN SIMILAR SIZED  
BOATS ON EVERY LEVEL

Take the huge flybridge for example, it has three distinct social areas: a forward cruising chaise longue and sunpad, aft facing sunbeds and a seating/dining area.

What's more, the carefully thought-through aft cabin has two unique personalities. You can specify it as a guest cabin with access via the cockpit, or as a crew cabin with its own access through the transom. Either way, the space is well appointed and the large panoramic windows flood the interior with light.

Having uncomplicated, single floor levels that are wide and long is normally reserved for much larger yachts, but our designers have achieved just that on this 65-footer. The long, wide single-level saloon allows guests to interact more freely and with the galley positioned at the heart of the yacht there is every opportunity to socialise with all those around you.

The master cabin enjoys a spacious, open-plan en suite and the forward cabin features a floating bed design - both have substantial wardrobe and storage space. Outside, the submersible bathing platform gradually introduces you to the water and is the perfect way to launch your tender.

#### ENGINE RECOMMENDATIONS (TWIN)

— **2,030MHP TO 2,300MHP** —

*2 X CATERPILLAR C18-1015 SHAFT DIESEL 1,015MHP EACH: 30 KNOTS*

*2 X MAN V10 1100 SHAFT DIESEL 1,100MHP EACH: 32 KNOTS*

*2 X CATERPILLAR C18-1150 SHAFT DIESEL 1,150MHP EACH: 32 KNOTS*

#### PRINCIPAL DIMENSIONS

- Length overall (inc. pulpit): 66ft 11in (20.41m) - Length overall (ex. pulpit): 65ft 4in (19.92m)
- Beam (inc. gunwale): 17ft 2in (5.24m) - Number of berths: 8 - 10 - Draught: 4ft 6in (1.37m) unloaded
- Height above waterline (inc. arch + nav. light mast): 22ft 7in (6.89m) - Transport height: 18ft 6in (5.63m)
- Dry weight (approx.): 32.37 tons (32,890kg) - Fuel capacity: 779 gals/936 US gals (3,542L)
- Water capacity (inc. calorifier): 254 gals/305 US gals (1,154L)

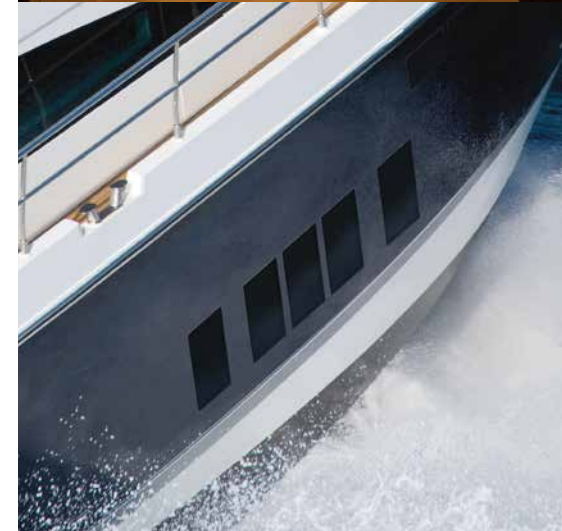

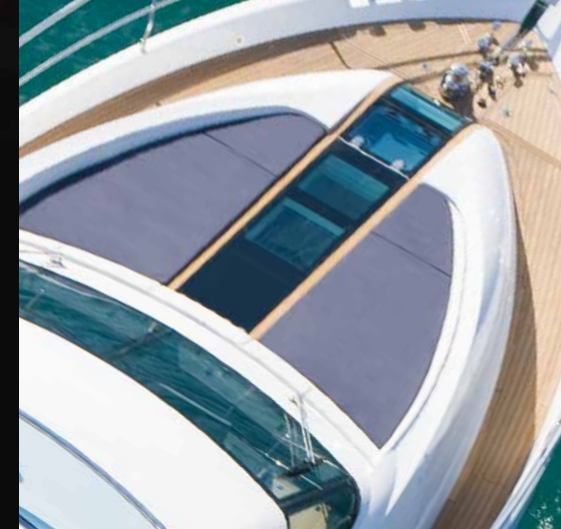

E L E G A N T  
 AND  
 BEAUTIFULLY PROPORTIONED  
 WITH LUXURIOUS  
 • ENTERTAINMENT AREAS •

# PRINCIPAL CREDITS

The creation of this catalogue would not be possible without the willing help of a great many people and companies who contribute their individual skills and expertise whether supplying boats, facilities or other invaluable support to the project each year.

Fairline Boats Ltd and their creative marketing agency, Cream of the South, extend grateful thanks to them all.

Fairline Boats Ltd constantly seek ways of improving specifications, design and production. Therefore, alterations take place on a continuous basis. Whilst every effort is made to produce up-to-date literature, the descriptions, specifications, illustrations and photographs in this brochure should not be regarded as a definitive guide to current specifications, nor does it constitute an offer for the sale of any particular boat.

Appointed distributors and dealers are not agents of Fairline Boats Ltd and have absolutely no authority to bind Fairline Boats Ltd by any express or implied undertaking or representation.

Performance estimates are given in good faith, but are in no way guaranteed for any particular boat. Dirt on the bottom of the boat, damage to the propellers, engine tuning, external water and air temperatures and the weight of crew, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees.
