

SQUADRON 42

SQUADRON 42

TRANSLATING THE IDENTITY
OF OUR MOST EXCLUSIVE
MODELS INTO A SMALLER
FOOTPRINT WAS THE MOST
WONDERFUL BRIEF FOR
OUR DESIGNERS AND
REQUIRED EVERY OUNCE
OF THEIR INGENUITY

The result is a compact Squadron with the genuine feeling of a much, much larger yacht. Each area has been designed to work in harmony with the next. Your journey through the entire yacht is seamless, with no interruptions, illuminated by vast, panoramic and feature windows.

Even the extensive flybridge has been carefully considered to create plenty of space for you and your guests to move around freely.

The cockpit seat quickly converts into a rear-facing lounge to create a sociable terrace area, perfect for watching over those taking a swim.

Inside, the master cabin has feature skylights and the starboard guest cabin's en suite has two doors that open wide to give the room a more spacious and opulent feel. This is the smallest boat in Fairline's range to offer the hydraulically-powered Tender Launch System allowing for a quick and easy way to lower and retrieve your tender. The option of the hydraulic passerelle also makes for easy boarding and slides away at the touch of a button.

ENGINE RECOMMENDATIONS (TWIN)

— **740MHP TO 870MHP** —

2 X VOLVO PENTA D6-370 EVC SHAFT DIESEL 370MHP EACH: 28 KNOTS

2 X VOLVO PENTA D6-435 EVC SHAFT DIESEL 435MHP EACH: 30 KNOTS

PRINCIPAL CREDITS

The creation of this catalogue would not be possible without the willing help of a great many people and companies who contribute their individual skills and expertise whether supplying boats, facilities or other invaluable support to the project each year.

Fairline Boats Ltd and their creative marketing agency, Cream of the South, extend grateful thanks to them all.

Fairline Boats Ltd constantly seek ways of improving specifications, design and production. Therefore, alterations take place on a continuous basis. Whilst every effort is made to produce up-to-date literature, the descriptions, specifications, illustrations and photographs in this brochure should not be regarded as a definitive guide to current specifications, nor does it constitute an offer for the sale of any particular boat.

Appointed distributors and dealers are not agents of Fairline Boats Ltd and have absolutely no authority to bind Fairline Boats Ltd by any express or implied undertaking or representation.

Performance estimates are given in good faith, but are in no way guaranteed for any particular boat. Dirt on the bottom of the boat, damage to the propellers, engine tuning, external water and air temperatures and the weight of crew, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees.
